Earlier would be better for me to help avoid evening traffic.

Hi everyone,

Thanks for filling out the Doodle for the on-site Petersen Ranch IRT meeting. The afternoon of Tuesday, April 19th seems to work best for the majority of us so I've sent out a calendar hold for that day. We are flexible on start time so if a bit earlier would be better (noon? 1pm?), please let me know and we can adjust accordingly. I'll follow up in the next few weeks with directions and logistics information.

Thanks so much, looking forward to seeing everyone next month!

Best,
Marlene

Hi All,

We are emailing to check everyone's availability for a Petersen Ranch site visit the week of April 18-22. The doodle poll below includes time slots for either a morning or afternoon meeting time. Please let us know what works best for you by filling out the Doodle poll with your availability. If you could please fill out the poll by the end of next week 3/18 that would be great and we'll get this on everyone's calendar!

Thanks so much and please let us know if you have any questions!
